**NEW Member? – See Page 2**

**FOR OUR NEW(ER) MEMBERS** - Our Chapter roster records indicate you have recently joined Chapter 252 - Welcome! Or, our records show you have joined in the recent past but we never announced your membership in the newsletter.

- Please provide **responses to the questions** shown below and return to me. You need not use the form itself, the information is what I need – so please use whatever means is most convenient for you (postal return, e-mail, etc.). Provide as much information as you are comfortable sharing, using as many words as you wish.
- We would also like a **small photo** of yourself, in whatever setting you wish, to accompany the information. If I have already taken your photo at a recent meeting (you would know), then you can disregard the request for a photo.

This information will be used to create a short biographical introduction about you, which would be provided to the rest of the Chapter membership in a future edition of the Pylon. If you do not wish to have an introduction published – that’s understandable – all I ask is that as a courtesy you let me know. Thank you.
